

Become a Soldiers Beach SLSC Sponsor

At **Soldiers Beach Surf Life Saving Club** (SBSLSC), our volunteer members are lucky enough to patrol one of the Central Coasts most beautiful beaches.

Known as the family, friendly club, our Nipper & Rookie numbers have steadily increased over the past few years. We now have more kids than ever on our beach every Sunday, and more representing our club, beach & community at regional and state carnivals. This 'grassroots' growth needs to be maintained and is important for the club to ensure our beach remains safe for all of us for many years to come.

One of the most important yet rewarding aspects of the club, is *Youth Development*. All our kids learn life-long skills and knowledge of the beach in a happy, healthy and active youth environment. These kids are the future of the Club and these surf life-saving educational programs provide them with the skills and experience they need to continue in lifesaving and surf sports as they grow older.

It is a job, our club members, age group managers, trainers and water safety do willingly and one we all enjoy - but to ensure that we encourage our nippers & rookies to learn and perform at their very best, we do need to provide them with latest in training technologies, surf sports gear and vital rescue equipment.

To fund the Club's eight (8) age groups and all the surf life-saving equipment required, there are very affordable sponsorship opportunities available. You will have the opportunity to not only participate in a very rewarding and worthwhile cause but also promote your business and/or brand to over 250 club members, their families, friends plus any number of the 150,000+ local beach goers and public from the wider community that attend Soldiers Beach each and every year.

We invite you to consider a Club Sponsorship Today.
